

Committed
to
Excellence

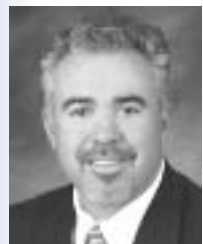

Anesthesiologist:

The physician responsible for managing the patient's preoperative preparation, delivering anesthesia while maintaining vital life functions during surgery, and assuring a comfortable and safe recovery after surgery.

Anesthesia Partners of Montana...

With special expertise in cardiac, pediatric, neuro, and obstetric anesthesia, intensive care medicine and chronic pain management, 100% of the physicians are board certified..

**ANESTHESIA PARTNERS
OF MONTANA**

*Your anesthesiologist...
an important part of your
healthcare. If you need
a procedure requiring
anesthesia, we are
here for you.*

*Each year, these physicians
provide comprehensive
anesthesia care to
over 15,000 patients
on the St. Vincent
Healthcare campus.*
